

KAMCHIN FOOD PRODUCTS

Golvash Production Company was established in 1980 in Shahriar, Tehran. The main activity of this company started with the production of tomato paste, jams and compotes, since beginning, production of high quality products was top priority of the company's managers. They founded KAMCHIN brand, which was able to attract attention of Iranian taste with the idea of "Iranian food, always and everywhere available", by offering products such as Haleem, broth and various dishes, and now with the production of more than 50 Different products., it is at the top of Iranian ready-made food producers list, all kinds of Iranian and international foods in packages of metal cans, aluminum, glass containers, seven-layer polymer, nylon and IML, as well as frozen vegetables and dried vegetables without sun Drying , All of these produced by this company, the variety of Kamchin products is a record in the production of ready meals, which is the result of years of experience and efforts of the best employees of this company.

Welcome to the Kamchin family !

Relying on richness of Persian culture, we have tried to create a calm, scientific and cultural environment in all pillars. We believe that when the product environment and production conditions are free of any psychological stress, quality of products will be high at end years of presence in this industry, 40 of the line. During more than maintaining quality in this family has become a culture. We are not just a production unit. Humans in Kamchin learn how to continuously improve their quality of life. For years, the members of this family have been improving their social and personal life skills by holding monthly training classes within the company, and by promoting their mental and personal health, variety and quality .of the products will increase dEay after day

KAMCHIN now has a warm presence at the table of Iranian families cause of its products homemade taste. And with a motto of “best quality is the best advertisement” , KAMCHIN is walking on the road more determined to maintain this presence. In five continents ,anywhere the world ,whenever dear Iranians decide to have an authentic Persian meal , KAMCHIN offers its varied food menu . Given the difficulty of Iranian food preparation overseas , KAMCHIN has been able to meet most of their needs and still trying to Iranians not forget homegrown foods taste.
